

## PRODUCT DATA SHEET

### TRAILER LAMP RETAIL READY KITS

#### Features:

- Highly aesthetic lens design
- Low profile dimensions to suit multiple applications
- Ideal for quality, fast lighting installation on trailers
- Integrated reflex reflector
- ADR compliant

#### Description:

Whitevision now offers its popular CRL20 and CRL120 9-metre trailer light kits in retail-ready packaging, ideal for showroom display and convenient customer purchase. Designed for quick and easy installation, these kits contain not only a left-hand LED trailer lamp, a right-hand LED trailer lamp with an integrated number plate, but also 9 metres of cabling, a flat 7 pin trailer plug, and an accompanying trailer plug holder for added convenience. These easy-to-install kits are suited for a wide range of trailer applications and are built to deliver consistent, reliable performance you can count on in everyday working conditions.
