

PRODUCT DATA SHEET

CRL120 SERIES - LOW PROFILE LED TRAILER LAMPS 9M KITS

Features:

- Highly aesthetic lens design
- Low profile dimensions to suit multiple applications
- Simple quick mounting design
- Intergrated reflex reflector
- Ideal for quality, fast lighting installation on trailers
- Complete kit selection has everything to wire up to suit your application
- ADR compliant

Description:

Whitevision's all new CRL120 Series is the new modern design in rear LED combination lamp with an ultra low profile. Featuring 12 super bright, high reliability LEDs, the advanced optics provide full form signal illumination for increased safety and awareness.

Incorporating stop / tail / indicator / lic plate and reflector functions for an all in one package, making it the perfect fit for many OE and retro-fit applications.
