

PRODUCT DATA SHEET CRL190 LED COMBINATION SERIES

**WITH
RETAIL READY
DISPLAY PACKS**

Features:

- Slim line design - multifunction
- Free form optics
- Surface mounting
- Retrofit applications
- Fully ADR compliant

Description:

Featuring free form optics in a smart slim line design the CRL190LED series are robust multifunction lamps that can be mounted in areas where space is limited. The lamps use Varivolt® 10-30V circuit technology and incorporate stop, tail, indicator, reverse and reflector functions providing an all in one solution. The high output SMD LED technology together with the smart optic design enables these lamps to comply with all the above functions with their slim line dimensions. Excellent for mine bars, trailer / ute lamps or commercial / industrial applications.

Parts List

CRL190LEDTWB	Stop/Tail/Indicator TWIN BLISTER
CRL190RLEDTWB	Stop/Tail/Indicator/Reverse TWIN BLISTER

Specifications:

Voltage:	10-30V DC Varivolt
Power:	Stop: 208mA Tail: 40mA Indicator: 125mA Reverse: 170mA
Lens:	Polycarbonate
Mounting:	Surface mount, screw on
Environmental:	IP67
