

## PRODUCT DATA SHEET

### FM880 SERIES LED BULL BAR FLASHER LAMP

**WITH  
RETAIL READY  
DISPLAY PACKS**

#### Features:

- Highly aesthetic lens design
- Low profile dimensions to suit multiple applications
- Simple quick mounting design with optional tabs
- Fully ADR compliant

#### Description:

All new full LED bull bar lamp with indicator, park and integrated daytime running lamp (DRL). This lamp features a heavy duty construction designed specifically for the SUVs and extreme environments. The lamp is ideal for retrofit applications of existing bull bar lamps and provides the additional safety feature of a fully compliant DRL function.
