

## PRODUCT DATA SHEET WR140 REFLECTOR SERIES

### Features:

- High grade optic prisms
- Ultrasonic welded base
- High impact lens
- Self-adhesive tape
- Fully ADR compliant

### Description:

WR140 Series reflex reflectors are constructed from high quality optic prisms resulting in a highly reflective lens for maximum compliance and safety. The WR140 series feature low profile dimensions while remaining fully compliant for front, side and rear applications providing a durable and versatile reflex reflector package. These units feature a high impact PMMA lens and ultrasonically welded base with high grade adhesive for quick, easy and secure fitting.
