

PRODUCT DATA SHEET WR151 REFLECTORS

Features:

- Large style reflector
- Screw mount for Heavy Duty Application
- ADR Compliant
- Quality Reflector Optics

Description:

Our WR151 series offers a range of reflectors that are larger and provide a secure screw-mounted design for increased durability. Retaining the same specialised optics and quality as all Whitevision reflectors, the WR151 will suit caravan, RV or truck applications where maximum visibility and strong design are not up for compromise.
